

PACK 166

2011 Pinewood Derby

Patch Design Contest

The design steps are as easy as

1. Shape

Patches come in all shapes, and you can use any you desire. Some of the most common ones are circles, ovals, and rectangles. Templates are attached for you to use. Size will be 3" Diameter, 2 1/2" x 3 1/2" Rectangular, 3 1/2" Oval.

2. Lettering

Include **Pack 166 Pinewood Derby 2011** on the front of your entry. Letters should be a minimum of 1/4 inch tall for clarity.

3. Color

Select contrasting colors to create a more beautiful patch. Light color lettering usually goes with dark color background and vice versa. 7 colors maximum.

4. Name

Write your name and Den number on the back of your entry.

5. TIPS

Keep it simple! A clean and simple design will be easier to make and better to see. Pick contrasting colors for back ground and lettering.
